Industry Expertise

AV & Events Insurance

We have been arranging insurances for the Audio Visual and Events industry for over 30 years. Because of this, we have a thorough understanding of the industry and their insurance needs.

Over the years, we have used our knowledge to develop policy wordings and build partnerships with insurance companies who can offer the best cover. We have a team of people who understand what you do, the equipment you use, the Terms and Conditions you apply and the freelancers you employ. They are approachable, flexible and available to discuss your own individual requirements and offer a solution.

Our purpose is to Protect, Excel & Succeed Together. What this means for our clients:

- Protect clients by ensuring they receive an excellent product & service offering, and the right protection for their risks
- Excel in providing our clients with a first class client experience
- Succeed in developing long-lasting client relationships based on trust

We hold Chartered Insurance Broker status, awarded by the Chartered Insurance Institute (CII), in recognition of our commitment to maintaining the highest standards of knowledge, ethical practice and advice in our profession. We make the complicated, Clear. That's how we've built our business to be one of the leading insurance brokers dealing with the Audio Visual and Events industry.

Our Wave Policy

We have developed a bespoke specialist policy that includes all the benefits below as standard. Every policy is tailored to your needs, but our standard offering covers the following:

- Cover with a leading insurer
- Owned and hired in equipment
- Dry and wet hires
- Hire of replacement equipment following a loss
- Continuing hire charges covering a loss
- Full cover during installations
- Europe-wide cover as standard with worldwide option
- Unattended vehicle cover
- Fraudulent hire cover
- Worldwide Liability cover including freelance staff
